Original TV Animation 「CODE-E」 is now on Air

Tokyo. July 28,2006 - T.O Entertainment, Inc. (President & CEO : Takeichi Honda, Location: Chiyoda-ku, Tokyo) announce that the broadcast of Original TV Animation 「CODE-E」 the original novel of which is written by Ichiro Sakaki starts. T. O Entertainment act as an agent for Ichiro Sakaki.

「CODE-E」 is a young people's love story set in a near-future Japanese campus- life.. Main character is a high school student, Chinami Ebihara..It is a story about Chinami who grows up through encounter with various people while suffering from her idiosyncrasy

Ichiro Sakaki was awarded a work of distinction prize at the 9th Fujimi Fantasia Full-Length Novel Grand Prize Competition and made his debut with “Dragon's Will”.. His most well-known work is the “Scrapped Princess” series (Fujimi Fantasia Paper Back) which has been a huge hit with more than one million copies of its 13 volumes sold. It has also been turned into an animation and comic. He also wrote the “Straight Jacket”(Fujimi Fantasia Paper Back) and “Magician Academy” (Fami Tsu Paper Back). He is not only a novelist but also he is expanding field of his activities by undertaking script writing and series structuring as observed in case of “Sinkyoku Soukai Polyphonica” animation series.

The production company of this animation is Studio Deen which produced hit animations including “You're Under Arrest”, “Devil from Today”, and “Fate/stay night”, etc. Studio Deen is the Animation studio which always attracts attention of Animation fun by creating high quality animations one after another.
